Friendship Bonus

Terms and conditions

Friendships often begin at the childcare center. When you tell families you know about globegarden, we'd like to say thank you.

1. Your thank-you
A CHF 200.– credit toward your parent fees if the new family books 2–3 days a week, or CHF 300.– for 4–5 days. Or vouchers for additional days of childcare: one for each day the new family books, i.e. 2 to 5 vouchers. You choose whichever you prefer.

Your friends receive a CHF 50.– credit. This does not apply in addition to a partner discount through their employer.

2. How it works
When inquiring about a place on our website, your friends enter your first and last name and your childcare center in the comment field. Naming you later, for example during a tour or when signing the contract, is not possible. Only one recommending person can be named per family.

3. When you receive your thank-you
As soon as the new family has had its first day of childcare with us and has paid its first invoice. The credit will appear on your next invoice.

4. Who can take part
All parents with an ongoing childcare contract at globegarden. Families with Backup Care, emergency care or individual flexible days receive vouchers for days of childcare instead of the credit.

Former globegarden families can also recommend us. As a thank-you, they receive a gift box with our book "Brave, not perfect" and a little surprise.

5. Who you can recommend
Families who have never inquired about a place at globegarden and who book at least 2 days a week. If your friends register more than one child, we add up the days of all their children – so your thank-you grows.

Not eligible are siblings of children who are or were cared for at globegarden, children from your own household and children of globegarden employees.

6. Good to know
The credit is offset against the private parental contribution invoiced by globegarden; it cannot be paid out in cash. If your private parental contribution is lower than the credit, for example for a subsidized place, you receive vouchers instead. The credit amounts to a maximum of CHF 4,000.– per family and calendar year and is not transferable. If your childcare contract ends, we convert any credit not yet offset into vouchers for days of childcare, for example for vacation days. Vouchers are valid for additional days of childcare at your childcare center, subject to availability. They are not transferable, cannot be exchanged for cash and are valid until December 31, 2028. The Friendship Bonus applies once per recommended family.

7. Duration
The offer applies to inquiries received from December 1, 2026 with a start date no later than December 31, 2027. The Friendship Bonus is a voluntary benefit from globegarden and does not create any legal entitlement. globegarden may change or end the offer for future recommendations. Recommendations already correctly named will be settled under the terms in force at the time of the inquiry.
